

# CAHILL DINER

Zeze and Moody have owned and operated Cahill Diner for over a decade, and their passion for the business has only deepened over time. Starting as a retro 50's brand, Cahill Diner has expanded to include three other locations, all operating under the name Ze's Diner.

Despite this growth, Cahill Diner remains a particularly special location for Zeze and Moody. The community support and loyal customer base have been instrumental in their success, and they are grateful for the opportunity to continue serving their community with delicious food and excellent service.
